Moanin' at Midnight with Moon (MMWM) is a quarterly multi-sensory experience based in New Orleans, LA. MMWM focuses on releasing and reclaiming sacred energy that centers the pleasure and play. Each event captures an interactive activation centering on conversations enhancing and empowering relationships in the BIPOC community. Through intimate conversations, we aim to provide communication tools to honor your true desires, pleasures and sex education for adults. Moanin' at Midnight with Moon (MMWM) events are cannabis-friendly, BIPOC only, featuring a culinary experience, intimate demos, sensory elements, and live performances.

Our Purpose

Our sensory experiences are the actualization of I.Ø.'s passion: to create spaces that acknowledge, deconstruct, and celebrate Black sexuality. Moanin' at Midnight with Moon prioritizes the experiences, needs and desires of Black, Latinx and Indigenous people.

Throughout this event we will bring exposure to a few hidden secrets and myths of black sexuality, while we introduce guests to intentional sustainable conversation that centers the benefits of pleasure and play.

We will be highlighting New Orleans's underground independent chefs who have created a menu specifically for this multi-sensory series. This event is an experience where strangers become friends through true communion from the time guests arrive until they leave.

Why become a sponsor?

Moanin' at Midnight with Moon Series provides a refined multi-sensory experience that represents why I.Ø. Moon does this in the first place by doing the following:

Your sponsorship will help us reach new levels. One goal of MMWM series is to grow this series to include more culinary, pleasure advocates and performing innovators to create remarkable experiences. Another goal is to create long lasting collaborative relationships with Sponsors and to let the New Orleans food and entertainment scene know who supports these underground exclusive epicurean experiences. These series are amazing and a special combination of what I.Ø. Moon can do with her passions and with proper support. You will have four levels of sponsorship to choose from, with each package detailing price and benefits. Don't miss out on your chance to be a part of a wonderful event. Together we will open the night with an authentic Taste of Pleasure.
